

**Vidya Vikas Education Trust's
Universal College of Engineering, Kaman Road, Vasai
Department of Electronics & Telecommunication Engineering**

4.1 Program Educational Objectives

1. To produce Electronics & Telecommunication engineers, having strong theoretical foundation, good design experience and exposure to research and development.
2. To produce researcher who have clear thinking, articulation and interest to carry out theoretical and/or applied research resulting in significant advancement in the field of specialization.
3. To develop an ability to identify, formulate and solve electronics and telecommunication engineering problems in the latest technology.
4. To develop the ability among students to synthesize data and technical concepts from applications to product design.
