

Name of Faculty: Apurva Chaudhari

Title of the Paper: Apurva Chaudhari, Prof. Satish S. Banait, "Survey on Efficient Feature Subset Selection Technique on High Dimensional Small Sized Data"

Name of Journal/Conference: IJSRD - International Journal for Scientific Research & Development | Vol. 3, Issue 11, 2016 |

ISBN/ISSN Number: ISSN (online): 2321-0613

Title of the Paper: Apurva Chaudhari, S. S. Banait, "An Efficient Distributed Feature Subset Selection Technique on High Dimensional Small Sized Data"

Name of Journal/Conference: International Conference on Emerging Trends in Computing (ETC-2016)

Title of the Paper: Apurva Y. Chaudhari, Satish S. Banait, "An Efficient Feature Subset Selection Technique on High Dimensional Small Sized Data"

Name of Journal/Conference: IJCA Proceedings on Emerging Trends in Computing ETC 2016(4):11-16, March 2017

Title of the Paper: "Fraud review detection for Twitter"

Name of Journal/Conference: Journal of Emerging Technologies and Innovative Research(JETIR) |

ISBN/ISSN Number: ISSN:2349-5162

Title of the Paper: "CAST : Construction Site Analysis and Tracking"

Name of Journal/Conference: International Journal of Engineering, Development and Research |

ISBN/ISSN Number: ISSN:2321-9939
