Department of Data Engineering

Data Is Plural

""""It is a capital mistake to theorize before one has data."

~Sherlock Holmes
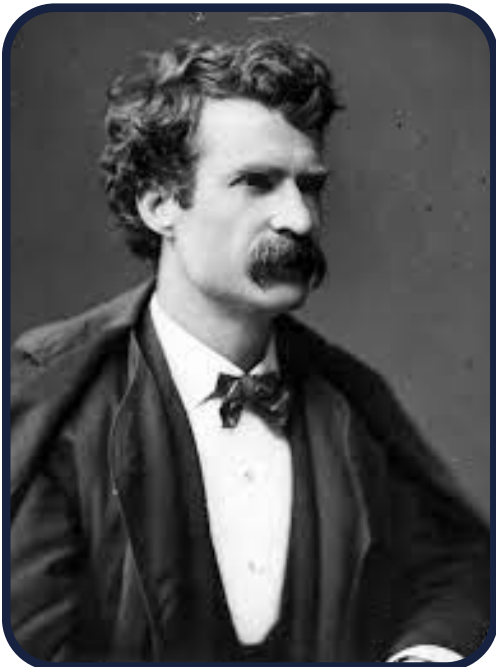

"Data is like garbage. You'd better know what you are going to do with it before you collect it."

~ Mark Twain

VISION

To build a learning and research environment in the field of Data Engineering that promotes learning towards betterment of the society.

Mission

To provide an academic environment for the development of profession in the field of Data Engineering.

To educate students in technology competencies by providing professionally committed faculty and staff.

To inculcate ethical values and leadership abilities in the students to work towards the progress of the society.

AREA OF STUDY IN DATA ENGINEERING

- *Introduction to Data Engineering*
- *Basic Language Requirement: Python*
- *Solid Knowledge of Operating Systems*
- *In-Depth Database Knowledge – SQL and NoSQL*
- *Data Warehousing – Hadoop, MapReduce, HIVE, PIG, Apache Spark, Kafka*
- *Basic Machine Learning Familiarity*

Cleanliness Drive
9th January 2023

The NSS wing of Universal College of Engineering recently conducted a Cleanliness Drive in Nagale Village, Maharashtra, India. During the camp, the team not only cleaned the village but also educated the villagers about the significance of cleanliness. The initiative was a success, with the team's efforts having a positive impact on the cleanliness and overall hygiene of the village.

Republic Day Celebration
26th January 2023

The Republic Day Celebration commemorates a historic moment in India's history, when our nation became an independent republic country. After gaining independence on 15th August 1947, India was governed by laws that were implemented by the British, as the country did not yet have its own constitution. However, after extensive deliberations and amendments, a committee headed by Dr. B.R Ambedkar submitted a draft of the Indian constitution, which was adopted on 26th November 1949 and officially came into effect on 26th January 1950.

In our university, we celebrated this important day with great enthusiasm. The college ground was beautifully adorned with flowerpots and national flags, creating a festive atmosphere. The installation of loudspeakers further added to the excitement. Everyone was filled with patriotic pride and happiness, as we commemorated the day when the Indian Constitution came into force, marking the birth of the Indian Republic. The arrangements for the event were spearheaded by the National Service Scheme (NSS) wing of Universal College.
