Project Description

Aim:

To foster bonding and get to know about rich and prestigious culture of other countries.

Process and Execution:

Concept of the event: The concept behind the 'RANGA' cultural exchange event was to promote cross-cultural understanding and appreciation between the Rotaract Club of University of Peradeniya, Sri Lanka, and the Rotaract Club of Universal College of Engineering, India. By exchanging presentations of rich in cultural festivals and Live singing and dance cultural performances showcasing their respective cultures, both clubs aimed to educate and inform each other about the unique customs, traditions, and festivals of their countries.

Pre event work: Both the club presidents, secretaries and Club ISD directors came forward to discuss the flow of this event. Specific set of members were allotted to spread the word of the event and inform others by the means of WhatsApp. Date and flow of event were discussed and several bonding were taken for the Twin club agreement to actual come in effect and bond between members.

Summary: -

On the Rotaract Club of University of Peradeniya, Sri Lanka, and the Rotaract Club of Universal College of Engineering, India, organized an online cultural exchange event called 'RANGA'. The event was held through an online meeting platform, and it aimed to promote cultural exchange between the two clubs and countries. The event was called to order at 09:00 PM after the adjournment of Joint General Body Meeting of the club. We started with the introduction of the club members, presidents, and secretaries of both clubs. This created a friendly atmosphere and broke the ice between the two countries to involve themselves and have a friendly conversation with each other. Warm greetings and friendly hellos were exchanged. Then, each club presented their rich and prestigious culture through a presentation. The presentation showcased the most famous festivals of India, such as Diwali and Navaratri, and the famous festivals of Sri Lanka. The event proceeded with India coming up with their Formal presentation, followed by Sri Lanka. The presentations were informative, most of the content were pictorial, descriptive and videography to have a better understanding between the members and they highlighted the unique aspects of each culture.

After the presentation, both clubs performed Live traditional dances and singing performances. The club members shared their cultural differences and similarities. And how can we miss that when it comes to FOOD! We also discussed each famous dish of the respective countries, language, traditions, and customs of their respective countries. It was interesting to see how different yet similar the two cultures were. The exchange of ideas and cultural insights was a great learning experience for all members involved.

In conclusion, the 'RANGA' cultural exchange event was a success. The event provided an opportunity for the two clubs to learn about each other's culture, and it fostered a sense of understanding and appreciation for different cultures. The event was a testament to the power of cultural exchange and how it can bring people together despite their differences
